

Beals Elementary School Grades 3 and 4 Online Assignments 06/01/20 to 6/05/20

This Week Each Day Will Have a Theme. We are Getting Closer to the End of the Year.

Some Days Will Have IXL Work. Other Days Will Be Days of Activities.

Trying to “cut back” on “work” as things wind down.

A Big “Thank You” to all the parents whom have worked to keep Their kids on track with academics since we closed the school for COVID-19.

This in addition to balancing work and home.

Students who worked with Mrs. Beal in Reading when school closed should continue to work in the packets they received from Mrs. Beal. Students in classroom reading that were reading at a different grade level should work at the grade level they were being taught at in the classroom.

Please email Mr. Crawford with any questions or concerns.
